WARRANTY STATEMENT

Amkette's PowerPro Air 450 Qi2 Wireless Charger is backed by a 1 Year performance warranty against any manufacturing defects in material or workmanship from the date of original purchase. This warranty entitles the purchaser to get the product repaired or replaced at its discretion under the following conditions:

- The warranty applies to the original purchaser. Proof of original purchase is required.
- The warranty does not cover the damage caused by misuse, abuse or improper storage.
- In no event shall Amkette be responsible for any direct, incidental, consequential or other damages of any kind.

Please contact our Customer Support Line and/or send the defective product, together with the proof of purchase to our Customer Care Service Center to avail warranty service. Return charges will be paid by us.

Note: Phone must support wireless charging.

TROUBLESHOOTING

- Ensure your phone supports wireless charging.
- Use a 9V/2A or higher adapter for optimal performance.
- Align your phone properly with the center of the charger.
- Remove thick or metal cases for better efficiency.
- Only iPhone 12 and above support MagSafe; others need the metal ring.
