Warranty Statement

Amkette Mozen Air 800 3-in-1 Qi2 Magsafe Wireless Charger is backed by a 1 Year performance warranty against any manufacturing defects in material or workmanship from the date of original purchase. This warranty entitles the purchaser to get the product repaired or replaced at its discretion under the following conditions:

- The warranty applies to the original purchaser. Proof of original purchase is required.
- The warranty does not cover the damage caused by misuse, abuse or improper storage.
- In no event shall Amkette be responsible for any direct, incidental, consequential or other damages of any kind.

Please contact our Customer Support Line and/or send the defective product, together with the proof of purchase to our Customer Care Service Centre to avail warranty service. Return charges will be paid by us.

WIRELESS CHARGER

QUICK START GUIDE

Back

Getting Your Phone Ready For Magsafe

OPTION A - MAGSAFE CASE (RECOMMENDED)

For the best experience we strongly recommend you purchase a "Magsafe Case" for your phone.

To get you started right away - stick the provided metal ring to the back of your phone or back of the case. Please review the Magnetic Ring Installation Guide for instructions.

OPTION B - METAL RING (INCLUDED)

Recommend to install the ring on the outside of the case. In most phones the wireless charging coil is located at the back centre of the phone.

Note: Magsafe Ring is compatible with all phones that support wireless charging.

Getting Your Apple Watch Ready For Charging

No Special Setup is Required. Simply place your Apple Watch charger.

Apple Watch Charger | All Apple Watches

Getting The Set-up Ready

Plug-in one end of the provided C-C cable into a PD power Adapter (Not included) and other end to the Mozen Air 800 Magsafe Wireless Charger. Plug the adapter to Power Socket and Turn On the Power.

Note: Use a 20W+ PD enabled power adapter for better output.
