Warranty

Amkette Epic S Rechargeable Bluetooth Mouse is backed by a 1 year performance warranty against any manufacturing defects in material or workmanship from the date of original purchase. This warranty entitles the purchaser to get the product repaired or replaced at its discretion under the following conditions:

The warranty applies to the original purchaser. Proof of original purchase is required.

The warranty does not cover the damage caused by misuse, abuse or improper storage.

In no event shall Amkette be responsible for any direct, incidental, consequential or other damages of any kind.

Please contact our Technical Support Line and/or send the defective product, postage pre-paid, together with the proof of purchase to our Customer Care Service Center to avail warranty service. Return charges will be paid by us.

What's in the Box

- Wireless Mouse
- USB 2.4G Receiver
- 30 Cm Type-C Charging Cable
- Docs

Bluetooth indicator lights:

- Blue LED for BT1 (2nd indicator) and Blue LED for BT2 (3rd indicator), showing pairing, reconnecting, and successful connection status.
- When switching modes, the respective Blue LED will turn on and blink slowly while attempting to reconnect to the last paired device.
- If no device is detected within 10 seconds, the same LED will blink rapidly to indicate pairing mode.
- After successful pairing, the LED stays solid for 2 seconds and then turns off.
