CONNECTION GUIDE

STEP 1

If your mobile device does not support MagSafe technology proceed to Step 2 else follow Step 3.

STEP 2

If your device is not MagSafe compatible, attach the provided magnetic plate to the back of your device.

STEP 3

Attach the EvoFox Hailstone 2 Phone Cooler to the MagSafe compatible device or with the magnetic plate on your device.

STEP 4

If desired, insert the clamp into the mounts on the side of the cooler. Apply force to properly fix the clamp inside the mounts, ensuring a secure attachment of your device to the cooler.

STEP 5

Connect the Type-C cable to the phone cooler using a *QC/PD charger.

STEP 6

Press the ON/OFF switch located on the cooler to start the cooling process.

STEP 7

Once the cooler is activated, sit back, and enjoy the enhanced cooling experience for your mobile device.

*Note: QC/PD charger is not provided in the box.
