CONNECTION GUIDE

STEP 1 If your mobile device does not supports MagSafe technology proceed to Step 2 else follow Step 3.

STEP 2 If your device is not MagSafe compatible, attach the provided magnetic plate to the back of your device.

STEP 3 Attach the EvoFox Hailstone Mobile Phone Cooler to the MagSafe compatible device or with the magnetic plate on your device.

-3-

STEP 4 If desired, insert the clamp into the mounts on the side of the cooler. Apply force to properly fix the clamp inside the mounts, ensuring a secure attachment of your device to the cooler.

STEP 5 Connect the Type-C cable to the phone cooler using a *QC/PD charger.

STEP 6 Press the ON/OFF switch located on the cooler to start the cooling process.

STEP 7 Once the cooler is activated, sit back, and enjoy the enhanced cooling experience for your mobile device.

***Note:** QC/PD charger is not provided in the box.
