## COMPATIBLE DEVICES

## CONNECTION GUIDE

**NOTE:** Before proceeding with the connection process, please ensure that the mouse is charged using the provided Type-C cable.

### Connecting via Bluetooth

**NOTE:** If already paired with another device either Turn OFF the Bluetooth on the original device or Long Press the DPI button to get into pairing mode again.

### Connecting via USB 2.4GHz

## POWER SAVING MODE

The HushPro BYTE Plus wireless mouse utilizes the energy-efficient 2.4GHz wireless radio frequency and Bluetooth v5.2. With its smart power-saving feature, the mouse automatically enters sleep mode if left idle for 3 minutes. Simply click a button to wake it up.

Moreover, you can manually switch OFF the mouse for total power saving.
