CONNECTION GUIDE

Charge your Device

Before proceeding with the connection process, please ensure that the mouse is charged using the provided Type-C cable.

Connecting via Bluetooth

You can connect up to 2 Bluetooth Devices simultaneously and seamlessly switch between them using the Mode Switch Button.

To Pair a second device, Switch to BT Device 2 and repeat the Pairing and Connection process.

Follow the same steps in case you want to forget and pair your mouse to a new device.

Connecting via USB 2.4GHz
