POCKET MATE

Quick Start Guide

IN THE BOX

POWER ON

- Insert the provided 1500mAh battery.
- Now press and hold the Power Button for 2 sec to turn ON the speaker.

CHARGING

- Plug the USB Charging Cable into the Speaker and connect to another USB Power Source.

Note: Fully Charge the speaker before using.

While Charging- Alternately blinking battery symbols on screen.
After Charging- Stable battery symbol on screen.

WIRELESS PAIRING

- Turn the speaker ON and it will enter to the Wireless Mode.
- Search for 'Amkette Pocket Mate' on your device and Connect.
- The speaker will issue an indication tone after the speaker has connected successfully.

Note: When the speaker is under Wireless mode, it will be connected to the last connected device by default. If you want to connect the speaker to another device, you need to disconnect from the original device.

FM RADIO MODE

- Pull out the Antenna and check it is fully open.
- Press the Mode Button to switch to FM Mode.
- Press and hold the Button for a few seconds then release it to start the auto searching, short press it again to stop searching.
- Press the Next button to select the next stations.
- Simply use the number key to select the preferred station.

TROUBLESHOOTING

The speaker is not working.

Check if the speaker is turned ON and the volume is adjusted properly. Make sure that the device is paired and the music source volume is not muted.

There is no power when the speaker is turned ON.

Please make sure that the speaker is properly charged before use.

Can I manually enter FM channels?

Yes, you can manually enter your favourite FM channel by using a number pad.
