## TROUBLESHOOTING

- Please ensure that the batteries in both Keyboard and Mouse are installed properly and the mouse is turned on.
- Ensure that all the batteries are in working condition.
- Plug the Nano USB receiver in a different USB port.
- If the connection is lost by any chance simply re-insert the Dongle into the USB port.
- Restart your PC or Laptop with Nano receiver plugged in the USB port.

## WARRANTY STATEMENT

Amkette's Xcite Wireless Multimedia Desktop Combo is backed by a 1 Year performance warranty against any manufacturing defects in material or workmanship from the date of original purchase.  This warranty entitles the purchaser to get the product repaired or replaced under the following conditions:

- The warranty applies to the original purchaser. Proof of original purchase is required.
- The warranty does not cover the damage caused by misuse, abuse or improper storage.
- In no event shall Amkette be responsible for any direct, incidental, consequential or other damages of any kind.

Please contact our Customer Support Line and/or send the defective product, together with the proof of purchase to our Customer Care Service Center to avail warranty service. Return charges will be paid by us.
